PROMOTING A
NEW LEVEL OF CARE.
The American Board of Multiple Specialties in Podiatry (the Board) was incorporated in 1986 to promote certification among podiatrists. In 2008, its certification programs were accredited by the American National Standards Institute (ANSI) for meeting the international standards for accreditation programs as set forth in ANSI/ISO/IEC/17024:2003. In 2012, the ABMSP was also accredited by URAC (Utilization Review Accreditation Commission).

**MISSION STATEMENT**

We exist to protect and improve the podiatric health and welfare of the public.

**PURPOSE STATEMENT**

The specific and primary purpose of the American Board of Multiple Specialties in Podiatry is: (i) to develop and implement national and international standards for and to administer examinations for certification in (a) primary care in podiatric medicine and (b) foot and ankle surgery; and (c) prevention and treatment of diabetic foot wounds and diabetic footwear; (ii) to grant recognition to individuals who meet the standards; (iii) to monitor the adherence to the standards by podiatrists certified by the corporation; and (iv) to maintain a registry of podiatrists certified by the corporation.

**American Board of Multiple Specialties in Podiatry Certification Examinations**

- Primary Care in Podiatric Medicine
- Foot and Ankle Surgery
- Prevention and Treatment of Diabetic Foot Wounds and Diabetic Footwear

**STATEMENT OF IMPARTIALITY**

The ABMSP understands the importance of maintaining impartiality in all of its decision making and certification activities. The ABMSP Board of Directors is responsible for ensuring that the organization carries out its activities in an impartial manner, managing real or perceived conflicts of interest, and insuring objectivity in its decision making process.

**NON-DISCRIMINATION**

The American Board of Multiple Specialties in Podiatry does not discriminate against any individual on the basis of race, color, religion, gender, national origin, age, disability or any other characteristic protected by law.
THE ROLE OF CERTIFICATION
Certification is a voluntary process in which individuals are recognized for advanced knowledge, competence, and skill. Certification requires assessment, testing, and evaluation of education and/or experience. Certification by the American Board of Multiple Specialties in Podiatry is sought voluntarily by podiatrists in order to attain a credential which attests to their training and experience as providers of services to persons who suffer from diseases and deformities of the foot.

OBJECTIVES OF CERTIFICATION
To establish competency in podiatric medicine, foot and ankle surgery, and diabetic foot wounds and footwear:

1. Providing a standard of requisite knowledge for certification in podiatric medicine, foot and ankle surgery, diabetic foot wounds and footwear.

2. Recognizing formally those individuals who meet the eligibility requirements of the American Board of Multiple Specialties in Podiatry and pass examinations in specialties within the field of podiatry.

3. Encouraging continued professional growth in podiatric medicine, foot and ankle surgery and diabetic foot wounds and footwear.

4. Establishing and measuring the level of knowledge required for certification in specialties within the field of podiatry.

ELIGIBILITY REQUIREMENTS

1. Hold a current DPM, DO, or MD license.  
   (Submit a copy of current license with application.)

2. Hold a DPM, DO, or MD degree in the United States (or territorial possession).  
   (Submit a copy of degree with application.)

3. Three years of current clinical experience related to prevention and treatment of diabetic foot wounds.

4. Submit a copy of the front of a current driver’s license or other government photo ID.

5. Three letters of professional recommendations, on letterhead, from fellow DPMs, DOs or MDs relating to the candidate’s experience in diabetic foot wounds and footwear.

6. Submit a copy of current resume or curriculum vitae.

7. Conduct a search of the National Practitioners Database and submit a copy of your record

8. Completion of consent form.

9. Payment of required fee.
APPEALS ON ELIGIBILITY
Candidates who have been deemed ineligible to sit for an examination may appeal in writing to the American Board of Multiple Specialties in Podiatry. The letter must be accompanied by supporting documents. The appeal must be received within 10 days after the notice of ineligibility is sent to the candidate. The American Board of Multiple Specialties in Podiatry will review the appeal and notify the candidate in writing of its decision within 10 days of receipt of the written appeal.

ADMINISTRATION
The Certification Program is sponsored by the American Board of Multiple Specialties in Podiatry (the Board). The examination is psychometrically developed and independently administered for the Board by the Professional Testing Corporation (PTC), 1350 Broadway, Suite 800, New York, New York 10018, (212) 356-0660, www.ptcny.com. Questions concerning the examination should be referred to PTC.

Questions concerning eligibility for the examination should be directed to the Board at (888) 852-1442. Questions concerning admission to the examination and test sites should be directed to PTC at (212) 356-0660.

The American Board of Multiple Specialties in Podiatry name, logo, certificates, cards, and abbreviations are the exclusive property of the Board. Use of these and all Board materials in any manner not permitted by the Board’s Code of Professional Practice, and any use by non-Board certificants, is not authorized and is prohibited by law.

EXAMINATION ADMINISTRATION AND SCHEDULING

The Certification Examination in Prevention and Treatment of Diabetic Foot Wounds and Diabetic Footwear is administered during an established two-week testing window on a daily basis, excluding holidays, at computer-based testing facilities managed by Prometric.

Scheduling Examination Appointments

Approximately eleven (11) weeks prior to the start of the testing window, approved candidates will be emailed a Scheduling Authorization from notices@ptcny.com. Please ensure you enter your correct email address on the application and add the ‘ptcny.com’ domain to your email safe list. If you do not receive a Scheduling Authorization eight (8) weeks prior to the start of your chosen testing window contact the Professional Testing Corporation at (212) 356-0660 or online at www.ptcny.com/contact.

The Scheduling Authorization will indicate how to schedule your examination appointment with Prometric as well as the dates during which testing is available. Appointment times are first-come, first-serve, so schedule your appointment as soon as you receive your Scheduling Authorization in order to maximize your chance of testing at your preferred location and on your preferred date. Candidates who wait until the last minute run the risk of missing out on their preferred date, time, and testing center. Candidates unable to schedule an appointment will forfeit their fees.

Candidates unable to take the examination during their chosen testing window will need to reapply for the examination and pay a new application fee. See page 8 for more information on transferring to a new testing window.

After you make your test appointment, Prometric will send you a confirmation email with the date, time, and location of your exam. Please check this confirmation carefully for the correct date, time, and location. Contact Prometric at (800) 741-0934 if you do not receive this email confirmation or if there is a mistake with your appointment.

Note: International candidates may also schedule, reschedule, or cancel an appointment online at www.prometric.com/ABMSP.

IMPORTANT!

You MUST present your current driver’s license, passport, or U.S. military ID at the test center. Expired, temporary, or paper driver’s licenses will NOT be accepted.

The name on your Scheduling Authorization MUST exactly match the name on your photo ID.

Fees will not be refunded for exams missed because of invalid ID.
Rescheduling Examination Appointments within a Testing Period

Candidates are able to reschedule their examination appointments within the same testing period as long as the request is submitted within the timeframe described below. Reschedule within the permitted timeframe by calling or going to the Prometric website: www.prometric.com/ABMSP.

Transferring to a New Testing Period

There will be no refunds of fees.

Candidates unable to take the examination as scheduled may request a one-time transfer to the next testing period. The transfer request must be made within 30 days after the originally scheduled testing date and submitted with the transfer fee of $245.00.

The transfer fee is based on cost and is not punitive in nature. The transfer fee must be paid at the time the request for rescheduling is submitted. The candidate is responsible for contacting PSI and canceling the original examination appointment, if one had been made.

Both the transfer request and the transfer fee must be received within 30 days after the original examination date for the transfer to be granted. Written requests should be sent to:

ABMSP EXAMINATION  
Professional Testing Corporation  
1350 Broadway – Suite 800  
New York, New York 10018

Exams may only be rescheduled once; please plan carefully.

Failing to Report for an Examination

⚠️ If you fail to report for an examination, you will forfeit all fees paid to take the examination. A completed application form and examination fee are required to reapply for the examination.

---

\(^1\) Applicants who are ineligible to take the examination or whose applications are incomplete by the application deadline will have their examination fees returned minus an administrative fee.
Multiple Specialties in Podiatry in Primary Care in Podiatric Medicine and Foot and Ankle Surgery. To apply for benefits, send a copy of your test results to the VA office that handles your educational benefits, along with a letter including the following information:

1. Your request for reimbursement.
2. Your name and Social Security number or VA claim number.
3. The name of the test and the date when you took the examination.
4. The name and address of the organization issuing the certificate (The American Board of Multiple Specialties in Podiatry, 555 8th Avenue, Suite 1902, New York, New York 10018.)
5. The cost of the examination, not including registration fees or other fees. (The cost of the examination in the Prevention and Treatment of Diabetic Foot Wounds and Diabetic Footwear is $500.00)
6. The statement: “I authorize release of my test information to the VA.”

If you have never previously filed a claim for VA educational benefits under the Montgomery G.I. Bill, you must also submit an application for benefits.

For additional information, please contact the Department of Veterans Affairs (“VA”) at 1-888-GIBILL-1 (1-888-442-4551) or consult the VA website at www.gibill.va.gov.

**SPECIAL ACCOMMODATIONS**

ABMSP and PTC support the intent of and comply with the Americans with Disabilities Act (ADA). PTC will take steps reasonably necessary to make certification accessible to persons with disabilities covered under the ADA. According to the ADA, an individual with a disability is a person who has a physical or mental impairment that substantially limits a major life activity (such as seeing, hearing, learning, reading, concentrating, walking) or a major bodily function (such as neurological, endocrine, or digestive system). The information you provide and any documentation regarding your disability and special test accommodations will be held in strict confidence.

All approved testing accommodations must maintain the psychometric nature and security of the examination. Accommodations that fundamentally alter the nature or security of the exam will not be granted.

Special testing arrangements may be made upon receipt of the Application, examination fee, and a completed and signed Request for Special Needs Accommodations Form, available from www.ptcny.com/PDF/PTC_SpecialAccommodationRequestForm.pdf or by calling PTC at (212) 356-0660.

This Form must be uploaded with the online application. Candidates who do not submit their Special Accommodations Form with their application may not be able to test during their chosen testing period and therefore be subject to rescheduling or transfer fees.

**Only those requests made and received on the official Request for Special Needs Accommodations Form will be reviewed.** Letters from doctors and other healthcare professionals must be accompanied by
the official Form and will not be accepted without the Form. All requests must be made at the time of application. Accommodations cannot be added to an existing exam appointment.

PREPARING FOR THE EXAMINATION

- Check your government issued photo ID (driver’s license, passport or U.S. Military ID) when you make your examination appointment. Is it expired? Does the name on your ID match the name on your Scheduling Authorization email? Proctors at the Prometric testing center will refuse admission to candidates with expired IDs, IDs with names that do not match their records, and temporary paper IDs. Candidates will be marked as no-shows and will forfeit their exam fees.

- Check your PTC Scheduling Authorization email and Appointment Confirmation email from Prometric to make sure everything is accurate (i.e. your name, exam name, appointment date, time and location).

- Make yourself familiar with the location of your chosen testing site and any requirements they may have for parking and check the weather and traffic conditions before you leave for the testing center. Make sure you give yourself plenty of time to arrive as late arrival may prevent you from testing.

- In the event of inclement weather, check the Prometric website for site closures: https://www.prometric.com/closures.

- Prometric’s website provides information on what you can expect on your test day, including a walkthrough of check in and security procedures: https://www.prometric.com/test-center-security.

- This Handbook provides the Content Outline for the Examination (see appendix). Use these to help you start studying for the examination.

- Review What to Expect at the Test Center and Rules for the Examination on the next pages before your appointment.

WHAT TO EXPECT AT THE TESTING CENTER

PTC has partnered with Prometric Testing Centers to deliver examinations to candidates. Here is what you can expect when you arrive at your Prometric Testing Center.

- Candidate Check-In
  - Candidates will be asked to present their IDs
  - Candidates will be asked to empty and turn out their pockets
  - Candidates will be “wanded” or asked to walk through a metal detector
  - Inspection of eyeglasses, jewelry, and other accessories will be conducted. Jewelry other than wedding and engagement rings is prohibited.
Religious headwear may be worn into the testing room; however, it may be subject to inspection by a testing center administrator before entry into the testing room is permitted.

Prometric provides lockers for candidates to store their purses, mobile phones, jackets, food, drinks and medical supplies.

- **During the Exam**
  - No breaks are scheduled during the exam. Candidates who must leave the testing room to take a break will not be given extra time on the exam
  - Accessing mobile phones or study materials during the examination is prohibited
  - Smoking is prohibited at the testing center
  - All examinations are monitored and may be recorded in both audio and video format

Please keep in mind: other exams will be administered at the same time as your examination. Therefore, examinees may hear ambient noises such as typing, coughing, or people entering and exiting the testing room that cannot be avoided. Prometric is unable to provide a completely noise-free environment. However, headphones may be requested to minimize impact.

- Please see Prometric’s website for more information about what to expect on testing day.

---

**RULES FOR EXAMINATION**

Please read the information below carefully. You are responsible for adhering to the examination rules while at the testing center.

- You must present your current driver’s license, passport, or US Military ID at the testing center. Candidates without valid ID will NOT be permitted to test. Temporary or paper copies of your ID will not be accepted.
  - No Electronic devices that can be used to record, transmit, receive, or play back audio, photographic, text, or video content, including but not limited to, cell phones, laptop computers, tablets, Bluetooth devices; wearable technology (such as smart watches), MP3 players (such as iPods), pagers, cameras, and voice recorders are permitted to be used and cannot be taken in the examination room. Prometric provides lockers for your personal items.

- No papers, books, or reference materials may be taken into or removed from the testing room.

- No questions concerning content of the examination may be asked during the examination session. The candidate should read carefully the directions that are provided on screen at the beginning of the examination session.

- Candidates are prohibited from leaving the testing room while their examination is in session, with the sole exception of going to the restroom.

- Bulky clothing, such as sweatshirts (hoodies), jackets, coats, and hats (except hats worn for religious reasons), and most types of jewelry may not be worn while taking the examination.
Proctors will ask you to remove such items and place them in your locker. Please see **Prometric’s statement on Test Center Security** for more information.

- All watches and “Fitbit” type devices cannot be worn during the examination.
- No food/beverages are permitted inside the testing room. Leave these items in your assigned locker.

Contact PTC at (212) 356-0660 or [www.ptcny.com/contact](http://www.ptcny.com/contact) with any questions about the Examination Rules.

Violation of any of the rules listed above may lead to forfeiture of fees, dismissal from the testing room, and cancellation of your test scores.

---

**REPORT OF RESULTS**

Within four weeks after the testing period ends, candidates will be notified in writing by Professional Testing Corporation of their examination results. The total score and scores on major areas of the examination will be indicated whether the candidate passes or fails. No scores will be reported over the telephone, fax or by e-mail. Candidates will not be permitted to review the questions they missed.

---

**EXAMINATION CHALLENGES & FEEDBACK**

It is the policy of the American Board of Multiple Specialties in Podiatry to provide every candidate with an opportunity to question the reliability, validity, and/or fairness of a test and its questions. Candidates may comment about any test question or questions, test procedure, and/or the test itself by completing the comment form, which is found at the end of every examination. Alternatively, a candidate may submit a complaint in writing to the Board administrative offices no later than fourteen (14) calendar days after taking the examination. Complaints and challenges must be communicated in writing and within this timeframe; the Board will NOT consider late challenges or complaints, or complaints not submitted in writing.

All challenges and complaints shall receive the Board’s full attention. The Board shall investigate each challenge or complaint and acknowledge it in writing to the complaining candidate. Any candidate who feels that the examination effort was negatively impacted by the test center conditions should notify the proctor immediately. The situation should also be reported to PTC at [www.ptcny.com/contact](http://www.ptcny.com/contact) within 3 business days of the test appointment. Any comments about the test itself should also be reported to PTC at [www.ptcny.com/contact](http://www.ptcny.com/contact) within 3 business days of the test appointment.

---

**PASSING SCORE**

The examination is a Pass or Fail examination only. The method used to set the passing score for the examinations is in accordance with standard criterion-referenced passing score standards. The passing score is set by the Board of Directors of the American Board of Multiple Specialties in Podiatry using
generally accepted psychometric principles and methods to determine what constitutes a competent podiatric professional. Each candidate is measured against a standard of knowledge, not against the performance of other individuals taking the examination.

The examination consists of 250 multiple-choice questions, with 4 responses, only one of which is correct. The passing score for the Certification Examination in Prevention and Treatment of Diabetic Foot Wounds and Diabetic Footwear is 175.

**REQUESTING A HANDSCORE**

Candidates who fail the examination may request a hand scoring of their data file. Hand scoring is a manual check of the data file by the testing service to determine if there have been any errors in scoring. Although the probability of such an error is extremely remote, this service is available. Requests for hand scoring must be received by PTC no later than 90 days after the date of the examination by completing and returning the Request of Handscore form on [www.ptcny.com](http://www.ptcny.com) with payment of $25. Candidates who fail the examination will not be permitted to see the examination questions. For reasons of test security, no candidate is allowed to review the examination or any of its items.

To ensure correct reporting of results, PTC automatically performs handscores of examinations of candidates who score within 3 points of passing as a quality control measure. Thus, it is extremely doubtful that any examination results will change from “fail” to “pass” through handscoring.

**ATTAINMENT OF CERTIFICATION AND RECERTIFICATION**

Candidates who pass the Certification Examination and who adhere to the Board’s Code of Professional Practice are eligible to indicate Board Certification in Prevention and Treatment of Diabetic Foot Wounds and Diabetic Footwear and will receive certificates from the American Board of Multiple Specialties in Podiatry. A registry of those certified will be maintained by the Board and may be reported in its publications.

Certification is valid for a period of four (4) years at which time the candidate must submit a completed application for recertification, other material as might be required, and be in compliance with all Board requirements.

**REVOCATION OF CERTIFICATION AND OTHER DISCIPLINE**

Individuals who fail to meet the requirements set forth in the Board’s Code of Professional Practice may have their Certification revoked.

**REEXAMINATION**

The Certification Examination in Prevention and Treatment of Diabetic Foot Wounds and Diabetic Footwear may be taken as often as desired upon re-registration and payment of the examination fee(s).
CONFIDENTIALITY

1. The Board will release the individual test scores ONLY to the individual candidate.

2. Any questions concerning test results should be referred to the Board or the Professional Testing Corporation.

3. The American Board of Multiple Specialties in Podiatry will publish a list of candidates who pass the examinations each year and will maintain a current listing of diplomates. The Board certification status, but not scores, will be released upon request. Requests should be submitted to the Board’s administrative office.

CONTENT OF EXAMINATION

1. The Certification Examination in Prevention and Treatment of Diabetic Foot Wounds and Diabetic Footwear is a computer-based examination composed of 250 multiple choice, objective questions with a total testing time of four (4) hours.

2. The content for the examinations is described in the Content Outlines starting on page 14.

3. The questions for the examinations are obtained from individuals with expertise in the prevention and treatment of diabetic foot wounds and diabetic footwear and are reviewed for construction, accuracy, and appropriateness by the American Board of Multiple Specialties in Podiatry.

4. The American Board of Multiple Specialties in Podiatry, with the advice and assistance of the Professional Testing Corporation, prepares the examinations.

The Certification Examination in Prevention and Treatment of Diabetic Foot Wounds and Diabetic Footwear will be weighted in approximately the following manner:

I. Anatomy and Physiology  10%
II. Etiology and Pathophysiology  10%
III. Psychosocial Factors  5%
IV. Diagnostic Considerations  20%
V. Examination  20%

ONLINE PRACTICE TEST

Candidates can experience what the computerized test will be like by taking an online practice exam. This sixty (60) question practice test gives a glimpse into the Prevention and Treatment of Diabetic Foot Wounds and Diabetic Footwear using actual questions which have been retired from the past forms of the examinations. Scores by content area are provided upon completion. This is an opportunity to experience taking the computerized examination, to review the content included in the examination and to learn more about the question format and style. Two (2) hours are allotted to complete the sixty (60) questions for a fee of $75. The examinations can be found at the PTC website, www.ptcny.com.

Note: The online practice test is an optional tool candidates may use as they prepare for the certification examination. While the practice test may help candidates identify areas of strengths and weakness, it should not be used as the only means to determine candidate preparedness or readiness to test. Since the practice test is NOT intended to be a study guide nor the sole source of preparation for the actual certification examination, candidates are NOT provided with the answer key, rationales for each question, nor notification of which specific items were answered correctly or incorrectly.

Though the specific questions that are on the practice test will not appear on the actual certification examination, it allows candidates to become familiar with the style of questions that may be asked. The instant score report received after practice test submission shows overall test performance as well as performance in each of the content areas. Candidates may find this information useful in determining future study needs. Once the practice test is scored, candidates cannot return to the test to review the questions. Performance on the practice test does not guarantee similar performance on the actual certification examination.

The PTC Online Testing System does not demonstrate the testing software used during the certification examinations. Those who purchase the online practice test should be aware that they will use a different testing platform when they take certification examinations at designated proctored testing centers.

The practice test is not a requirement for certification eligibility nor does it contribute in any way to success on the certification examination. There are many ways candidates should prepare for the certification examination. Candidates should use a variety of resources and consider their own education and experiences. Review the content outline and reference materials listed in the handbook for additional exam-related information.

AMERICAN BOARD OF MULTIPLE SPECIALTIES IN PODIATRY

CONSENT FORM

I, ________________________________, certify that all information contained in my application for certification in [Primary Care in Podiatric Medicine / Foot and Ankle Surgery / Prevention and Treatment of Diabetic Foot Wounds and Diabetic Footwear] is true and accurate to the best of my knowledge. I certify that I have read and understand the requirements for certification as set forth in the Certification Examination in [Primary Care in Podiatric Medicine / Foot and Ankle Surgery / Prevention and Treatment of Diabetic Foot Wounds and Diabetic Footwear] Handbook for Candidates. In addition, I hereby authorize the American Board of Multiple Specialties in Podiatry (the Board) and its officers, directors, committee members, employees, and agents (“the above designated parties”) to review my application to take the certification examination in [Primary Care in Podiatric Medicine / Foot and Ankle Surgery / Prevention and Treatment of Diabetic Foot Wounds and Diabetic Footwear]. I authorize the Board to determine my eligibility for certification in [Primary Care in Podiatric Medicine / Foot and Ankle Surgery / Prevention and Treatment of Diabetic Foot Wounds and Diabetic Footwear]. I agree to revocation or other limitation of my certification if any statement made on my application or hereafter supplied to the Board is false or inaccurate or if I violate any of the rules or regulations of the Board.

I understand and agree that if I am granted certification in [Primary Care in Podiatric Medicine / Foot and Ankle Surgery / Prevention and Treatment of Diabetic Foot Wounds and Diabetic Footwear], it will be my responsibility to remain in compliance with all certification standards. I understand it is my responsibility to maintain valid certification status by complying with all recertification requirements and timely submitting such proof of compliance as is required by the Board.

I agree to cooperate promptly and fully in any review of my certification by the Board, including submitting such documents and information deemed necessary to confirm the information in my application. I authorize the above designated parties to communicate any and all information relating to any application, certification status, and review thereof, including, but not limited to, pending or outcome of disciplinary proceedings to state and federal authorities, employers, and others.

I understand that the Board reserves the right to refuse my admission to any examination if I do not have an Admission Notice and proper photo identification, or if administration of the examination has begun. If I am refused admission for any of these reasons or fail to appear at the test site, I will not receive a refund of the application or examination fees and there will be no credit for future examinations. I authorize the proctors at my assigned test site to maintain a secure and proper test administration at their discretion. I acknowledge that in this capacity, the proctors may relocate me before or during the examination. I will not communicate with other examinees in any way.

I understand that I may only seek admission to take the examination in [Primary Care in Podiatric Medicine / Foot and Ankle Surgery / Prevention and Treatment of Diabetic Foot
Wounds and Diabetic Footwear] for the purpose of seeking certification in [Primary Care in Podiatric Medicine / Foot and Ankle Surgery / Prevention and Treatment of Diabetic Foot Wounds and Diabetic Footwear], and for no other purpose. Because of the confidential nature of the examination, I will not take any examination materials from the test site, reproduce the examination materials, or transmit the examination questions or answers in any form to any other person.

I understand that review of the adequacy of examination materials will be limited to computing any scoring correction. If I do anything which is not authorized or which is prohibited by the Board in connection with any examination, I understand that my examination performance may be voided, and such activity may be the subject of legal action. In a case where my examination performance is voided, I will not receive a refund of the application or examination fees, and there will be no credit for any future examination.

I waive all further claims of examination review and agree to indemnify and hold harmless the above designated parties for any action taken pursuant to the rules and standards of the Board with regard to my application, the examination(s) and/or my certification except claims based on gross negligence or lack of good faith.

I agree that if I pass the examination, the Board may release my name and the fact that I have been granted certification in [Primary Care in Podiatric Medicine / Foot and Ankle Surgery / Prevention and Treatment of Diabetic Foot Wounds and Diabetic Footwear] to newspapers and other publications. I agree that the Board may release my name and address in a listing of certified podiatrists to individuals and/or organizations interested in podiatry as directed by the board of directors.

I agree that, if I become certified, I will notify the ABMSP within 60 days of any changes which become known to me about my professional status (e.g. disciplinary action undertaken or resolved) and licensure (e.g. suspension or revocation).

By signing, I acknowledge that I have read and understand this information, and agree to abide by these terms.
