PSI has several hundred testing sites in the United States, as well as Canada. Scheduling is done on a first-come, first-serve basis. To find a testing center near you visit: http://www.ptcny.com/cbt/sites.htm or call PSI at (833) 207-1288. Please note: Hours and days of availability vary at different centers. You will not be able to schedule your examination appointment until you have received a Scheduling Authorization from PTC.

TESTING SOFTWARE TUTORIAL

A Testing Software Tutorial can be viewed online. Go to http://www.ptcny.com/cbt/demo.htm. This online Testing Software Tutorial can give you an idea about the features of the testing software.
ONLINE PRACTICE TEST

Candidates can experience what the computerized test will be like by taking an online practice exam. This sixty (60) question practice test gives a glimpse into the Primary Care in Podiatric Medicine and/or the Foot and Ankle Surgery Examinations using actual questions which have been retired from the past forms of the examinations. Scores by content area are provided upon completion. This is an opportunity to experience taking the computerized examination, to review the content included in the examination and to learn more about the question format and style. Two (2) hours are allotted to complete the sixty (60) questions for a fee of $75. The examinations can be found at the PTC website, www.ptcny.com.

SCHEDULING YOUR EXAMINATION APPOINTMENT

Once your Application has been received and processed, and your eligibility verified, you will be sent a Scheduling Authorization within 6 weeks preceding the start of the testing period. The Scheduling Authorization will indicate how to schedule your examination appointment as well as the dates in which testing is available. Appointment times are first-come, first-serve, so schedule your appointment as soon as you receive your Scheduling Authorization in order to maximize your chance of testing at your preferred location and on your preferred date. A candidate not receiving a Scheduling Authorization at least three weeks before the beginning of the testing period should contact the Professional Testing Corporation by telephone at (212) 356-0660.

You MUST present your current driver’s license, passport, or U.S. military ID at the test center. Temporary, paper driver’s licenses are not accepted. The name on your Scheduling Authorization must exactly match the name on your photo I.D. PTC recommends candidates bring a paper copy of their Scheduling Authorization and PSI appointment confirmation as well.

- It is your responsibility to call PSI to schedule the examination appointment.
- It is highly recommended that you become familiar with the testing site.
- Arrival at the testing site at the appointed time is the responsibility of the candidate. Please plan for weather, traffic, parking, and any security requirements that are specific to the testing location. Late arrival may prevent you from testing.
SPECIAL NEEDS

PTC will take steps reasonably necessary to make certification accessible to persons with disabilities covered under the ADA. Special testing arrangements may be made upon receipt of the Application, examination fee, and a completed and signed Request for Special Needs Accommodations Form, available from www.ptcny.com or by calling PTC at (212) 356-0660. This Form must be uploaded with the online application at least EIGHT weeks before the testing period begins. Please use this Form if you need to bring a service dog, medicine, food or beverages needed for a medical condition with you to the testing center.

Only those requests made and received on the official Request for Special Needs Accommodations Form (found at www.ptcny.com) will be reviewed. Letters from doctors and other healthcare professionals must be accompanied by the official Form and will not be accepted without the Form.

Information supplied on the Request for Special Accommodations Form will only be used to determine the need for special accommodations and will be kept confidential.
